PRELIMINARY AMENDMENT

Commissioner of Patents and Trademarks Washington, D.C. 20231

BOX: PCT

Dear Sir:

Please amend the above-identified patent application as follows:

In the Claims:

- 3. (Amended) A method as claimed in Claim 1, wherein the first string of pocketed coil springs is positioned by being fed longitudinally and then displaced transversely into juxtaposition with the adhesive applicators.
- 4. (Amended) A method as claimed in Claim 1, wherein following application of the adhesive to the first string, the first string is tipped into an upright position such that
